

A gray tabby cat is lying down in a field of vibrant yellow autumn leaves. The cat is wearing a black collar with a small bell. The background is a soft-focus field of similar leaves, with a white plastic object partially visible on the left side. A semi-transparent gray box with white text is overlaid on the right side of the image.

**Can catch  
sunbeams,  
butterflies,  
falling leaves,  
*and*  
HEARTWORMS!**
