

# HEARTWORM PREVENTION

AMERICAN  
HEARTWORM  
SOCIETY™  
EST. 1974

The American Heartworm Society recommends year-round administration of medications approved by the US Food and Drug Administration (FDA) to prevent heartworm infection. Currently available preventives are listed below; as new products become available, updates will be posted at [heartwormsociety.org](http://heartwormsociety.org). Consult the appropriate manufacturer for minimum age/weight, use during breeding/lactation, or other health requirements for product usage.
