Register Today for AHS Webinar on Feline Heartworm Disease

Is feline heartworm disease a myth? Or is it misunderstood?

Answering those vital questions is the focus of an upcoming [C.E. webinar](#) sponsored by the American Heartworm Society on **Sunday, June 9, from 1:00 to 5:00 PM EDT**. The webinar will feature two speakers with extensive clinical experience in managing feline heartworm patients: AHS board members Tom Nelson, DVM, and Mark Cousins, DVM, DABVP (Feline Medicine). By attending this webinar, you will increase your knowledge of [feline heartworm testing strategies](#) and [how to manage cats harboring adult heartworms](#) in the absence of a safe and approved adulticide.

This webinar has been approved for **4 hours of continuing education** in jurisdictions where RACE is recognized. The cost is \$100 for AHS members and \$125 for non-members. You can register [here](#). If you're not already an AHS member, now is a great time to [join](#)!

OUR SPEAKERS:

- Charles Thomas (Tom) Nelson, DVM, is Medical Director at the Animal Medical Centers of N.E. Alabama, based in Anniston, Alabama.
- W. Mark Cousins, DVM, DABVP (Feline Medicine), has 43 years of practicing feline medicine and was the owner of The Cat Practice Veterinary Hospital in New Orleans, Louisiana.
